Trustees' annual report (incorporating the director's report)

The trustees, who are also the directors for the purposes of company law, present their report and the financial statements of the charity for the year ended 31 March 2022.

Legal and administrative information set out on page 1 forms part of this report. The financial statements comply with the current statutory requirements, the Articles of Association and Accounting and Reporting by Charities Statement of Recommended Practice applicable to charities preparing their financial statements in accordance with the Financial Reporting Standard applicable in the UK and Republic of Ireland (FRS 102).

Objectives and activities

Aberdeen Cyrenians is a charity dedicated to supporting people affected by homelessness, violence, domestic abuse and other forms of social exclusion.

With the help of the local community, Aberdeen Cyrenians has been providing support to vulnerable people in the city for the many years, pre-dating its incorporation 50 years ago.

Starting life as a soup kitchen organised by Aberdeen University students, today it provides support and assistance to rough sleepers, those needing to flee unsafe home environments, couch surfers with no permanent address, people who find it difficult to maintain their tenancy due to mental health or addiction issues, ex-prisoners with nowhere to go, those in a time of crisis that find themselves vulnerable and at risk of losing their home and those who want to remain independent and need support to stay at home.

The organisation is known as a pioneer in homelessness, complex care, support needs services and mental health support. From opening the first 'wet' hostel, allowing residents to drink safely while engaging with services to tackle underlying need a model now used globally and opening the first women's hostel in Aberdeen; to leading on the new Housing First Pathfinder project, implementing the Scottish Government's Housing First policy, recognising that to assist those with multiple and complex needs, the first step is a secure and ongoing tenancy that can be retained, whilst also providing wrap around support. Organisational growth and innovation continue to this day.

Our philosophy is built on the Cyrenian movement; organisations that reach out a helping hand to those that stumble in life, helping them to get back on their feed. While we are a secular organisation, we are named after Simon of Cyrene, famed for helping Jesus as he stumbled carrying his cross. We support people of all faiths and those of none.

As a local independent charity, we work in partnership with a wide range of local organisations and collaborate with other similar organisations in a national forum.

The charity aims to help people to make planned changes in their lives, often at crucial periods of transition. Our services are provided on a voluntary basis in recognition of people's rights to choose if they want to access the support provided.

The objectives of Aberdeen Cyrenians as outlined in our Articles of Association are to deliver public and community benefits in the North East of Scotland by way of a provision of a range of support services for those with multiple, complex needs, those homeless, at risk of homelessness or affected by homelessness in any way, and to:

- Prevent or relieve poverty and financial hardship;
- Promote social inclusion and equality and diversity; and,
- Protect vulnerable individuals from harm or abuse.

Since November 2020, Aberdeen Cyrenians have been a founding member of Granite Care Consortium, who provide Care at Home services under contract to Aberdeen Health and Social Care Partnership, across all localities in Aberdeen.

Aberdeen Cyrenians: Care at Home (formerly Care Choices) is our Care at Home service, offering home support that enables our service users to live independent and fulfilling lives. We take a person-centred and friendly approach recognising that everyone has different goals in their own life and our ethos is to enable people to live with as high a level of independence as possible and retaining choice over the care that they receive.

Trustees' annual report (incorporating the director's report)

Vision Statement

The Vision Statement has three parts to it:

- Continue to serve Aberdeen's homeless with compassion and professionalism.
- Be a partner of choice for all who work in our field.
- Be a trusted voice on the issue of homelessness in our city.

Strategies Employed to Realise Our Vision

Fundraising

• To develop and implement short, medium and long term organisational and service based fundraising strategies to maximise fundraised income.

Partnerships

- To develop and maintain networks and partnerships in line with our Mission, Vision and Aims and Values.
- To develop internal and external Corporate Social Responsibility Strategies.
- To work in partnership with our service users to improve services.
- To work with other partners in the GCC consortium.

Effectiveness

- To maintain and further develop our Human Resources, Training, Finance, Health and Safety, Environmental and Quality Assurance support services.
- To maintain and improve service delivery of our contracted services and to develop professional
- Relationships with commissioners.
- To further develop and expand services provided by volunteering.
- To secure resources and property for future continuation of services.
- To develop frameworks for measuring outcomes for service users.
- To maintain a motivated workforce.

Achievements and performance

The past Financial Year has continued to be a very challenging environment as the local community like the rest of the world has tried to recover from the impact of the Covid pandemic. The Organisation has continued to reach out to partners to provide vital services. As a first responder to crisis, Aberdeen Cyrenians has been at the front line of the pandemic impact; helping people in hunger, homeless, abused, or struggling to manage addiction and mental health issues. These challenges have been unprecedented. From supporting service users with acquired brain injuries to understanding the importance of hygiene, to supporting those locked down with their abuser, or someone alone and digitally excluded with no access to vital food parcels and support.

Throughout the period the Organisation's teams rose to the challenge of delivering on our objectives, allowing the Organisation to deliver more of the help needed. This required a huge effort from support services and management to recruit, induct and train new staff while ensuring the quality of care being provided, and at the same time helping our staff continue to deliver dynamic and heavy workloads. Working from home, supporting those in crisis and experiencing trauma has had a ripple-effect on our teams dealing with these issues from their own safe spaces. New ways of working have been essential in maintaining the wellbeing of our teams, offering time to decompress and debrief, and launching a new employee support programme to offer independent counselling and advice.

Company Limited by Guarantee

Trustees' annual report (incorporating the director's report)

Achievements and performance (continued)

The Organisation has gone through a period of change in Management too during the Financial Year, with the departure of our CEO Michael Burns who left us to pursue other opportunities within the Third Sector. We are delighted to appoint Chris Bennett-Taylor as our new CEO. Chris needs no introduction, having previously worked as Corporate Services Manager and prior to that serving on the board as a Trustee. Chris brings a wealth of knowledge and experience to the role, and has since his appointment strengthened his Leadership Team to take the organisation forward into the next chapter of our evolution.

Overview of Services (in alphabetical order)

Assertive Housing Support Service ("AHSS")

AHSS is a ground-breaking new partnership service aiming to prevent homelessness in Aberdeen. The service is commissioned by Aberdeen City Council and provides integrated homelessness, mental health, employability and finance/debt management support to some of Aberdeen's most vulnerable citizens. AHSS supports independent tenancies at two core blocks in Aberdeen and also provides outreach support to service users who are usually in temporary accommodation in the city. The partnership is led by Aberdeen Cyrenians and is delivered in association with Penumbra, Barnardo's and Aberdeen Citizens Advice Bureau. The AHSS team provide tailored care packages aimed at ensuring that individuals are settled, secure and equipped with the skills to manage their tenancies.

Direct Access Service ("DAS")

Aberdeen Cyrenians also provides DAS, a service providing advice and information in relation to housing, homelessness (including the prevention of homelessness), support with benefit applications, debt management and income maximisation. The service is available on a drop-in basis and offers support with employment applications, formal appeals, advocacy, food assistance and access to closing, toiletries and equipment.

Ending Violence and Abuse Aberdeen ("EVAA")

EVAA currently operates two teams; the Domestic Abuse Support and Accommodation Project ("DASAP") and the Violence Against Women ("VAW") project, which includes the CLiCK service (an initiative focused on supporting women who are involved with selling sex online). EVAA is an umbrella service providing specialist teams and workers within the field in order to reach as many individuals experiencing violence and abuse as possible.

Get Digital

An offshoot of the DAS service, this is the first service outwith the Scottish Central Belt to provide a Get Digital programme to service users who experience digital exclusion and have no access to technology or limited experience using it. Following a successful pilot programme during the early stage of the COVID-19 pandemic, funding was secured to gift digital devices and connectivity to a small group of service users.

Justice Support Service ("JSS")

JSS provides intensive support to individuals who are, or have been, involved with the justice system, supporting them to re-integrate into the community. The service is commissioned by Aberdeen City Council Criminal Justice Social Work. We work with CJSW to ensure a planned transition for individuals and in doing so, avoid homelessness presentations. We support individuals to adhere to any statutory orders or licence conditions and help them to have the best possible chance of maintaining their liberty, providing wrap around support and identifying achievable goals and personal aspirations.

Company Limited by Guarantee

Trustees' annual report (incorporating the director's report)

Overview of Services (in alphabetical order) (continued)

Settled Homes for All ("SHFA")

The SHFA service provides a matching service between Tenants and Landlords to enable vulnerable users to access the Housing market; it also offers a link between Commercial Landlords and Social Housing, allowing the landlords to provide housing to tenants who might otherwise struggle to get into their own accommodation. The service offers tailored support to the users, dependent on their circumstances and the need for support services.

Strength for Tomorrow ("SFT")

The SFT service provides support to survivors of Childhood abuse, whether this be in the form of physical, emotional, financial, sexual abuse and/or sexual exploitation or coercive control.

Violence Against Women ("VAW")

The VAW service provides support to vulnerable women who have experienced or are currently experiencing abuse, whether this be in the form of physical, emotional, financial, sexual abuse and/or sexual exploitation or coercive control.

Volunteering

The achievement of the objectives of Aberdeen Cyrenians is enhanced by our active volunteering programme. We welcome and encourage the participation of the wider community and are fortunate to have involvement from individuals and corporate groups at all levels of the organisation and within all appropriate services and activities.

Wernham House

Wernham House provides 24-hour supported residential care for seventeen individuals aged 18 and over. Working effectively with Aberdeen City Council Social Work Integrated Alcohol Service, placements can be respite or longer term. There is a continuing rise in the number of individuals being referred and then being admitted to the project who have forms of dementia, multiple complex needs and health and social care issues. This necessitates a very substantial amount of one-to-one personal care input.

External Agencies

Aberdeen Cyrenians is registered with various external agencies that may monitor the services we provide. These include:

- Aberdeen City Council Approved Providers List, Environmental Health and Registered Landlord
- Aberdeenshire Council Registered Landlord
- Care Inspectorate
- Child Poverty Action Group
- Disclosure Scotland
- Information Commissioners Office
- Office of the Scottish Charity Regulator
- Scottish Social Services Council (staff professional registrations).

Company Limited by Guarantee

Trustees' annual report (incorporating the director's report)

Financial Review

The main sources of our income come from:

- Aberdeen City Council through commissioned work delivered on behalf of Criminal Justice, Social Care
 and Communities, Housing and Infrastructure committees, in relation to our community-based justice,
 housing and support services and the Aberdeen Health and Social Care Partnership in relation to
 residential services, currently Wernham House.
- The work of our Direct Access Service is made possible through funding from the Bank of Scotland Foundation and also the Scottish Government Investing in Communities Fund.
- Our EVAA service has multiple sources of funding to make the different streams of their work possible: these include the Scottish Government, Tampon Tax Fund, the Big Lottery Improving Lives Fund, the Robertson Trust and to VOLANT trust.

We continue to be extremely grateful to the many individuals and corporate donors who fundraise and make donations to us, supporting our various projects.

Review of 2021/22 Finances

In line with the challenging economic climate in Aberdeen, generating vital fundraising income for the ongoing work of Aberdeen Cyrenians has become more and more challenging leading to losses being generated by Residential and Community Projects. This, together with the inclusion of £74,000 (2021 - £109,000) of costs specifically relating to the defined benefit pension scheme, led to a net expenditure of £146,684 (2021 – net expenditure of £177,661) being reported. The fundraising approach is of vital importance to the organisation, and to that end there has been much focus from the Board and leadership team on a fundraising strategy, and of aligning this with the cost forecasting and strategic plan for the organisation.

Linked to this, the Finance & Investments (F&I) sub-committee have met with increased frequency since the 20/21 financial year to regularly review our P&L and cost forecasting, utilising different scenarios to help with planning and to better understand our level of risk and maintain our control on overall spend.

Aberdeen Cyrenians participates in the North-East Scotland Pension Fund (previously Aberdeen City Council Pension Fund), which is part of the Local Government Pension Scheme (Scotland), a multiemployer scheme. The LGPS is a defined benefit scheme and within Aberdeen Cyrenians is now closed to new entrants. As at 31 March 2022 the proportion of the deficit of the scheme relating to employees past and present was £303,000 (2021: £438,000) and this is being reduced by an increased premium being paid by Aberdeen Cyrenians relating to all current employees who are participating in the scheme.

The levels of the various designated funds and restricted funds and their purposes are set out in Note 20 to the accounts. The Board continues to review the adequacy of reserves on a regular basis and believes that it is appropriate that the total reserves held should be between 3 and 6 months of the annual resources expended to enable the organisation to continue its current activities in the event of a significant drop in funding. This is in line with OSCR Guidance. The investment that has been placed in a charitable investment fund during this period has been made following due diligence and scrutiny by the F&I sub-committee, and then Board review and approval. The intent of this is to make best use of our available resources, and be prudent with the finances of the charity, and this investment fund was selected as a suitably low-risk investment that would provide future contingency funding for the organisation, if required. The investment meets the criteria of our investment policy, which aligns with OSCR guidance in this area.

Company Limited by Guarantee

Trustees' annual report (incorporating the director's report)

Reserves

As at 31 March 2022, total reserves are positive £650,531 (2021 – positive £593,563) after deducting the NESPF pension deficit of \pounds 303,000 (2021 - \pounds 438,000). If the pension deficit is excluded from the total reserves, there are positive reserves of £953,531 (2021: £977,563). The total reserves, before the pension deficit, are made up of unrestricted funds of £796,250 (2021: £729,434) and restricted funds of £157,281 (2021: £248,129).

The closing reserves, pre pension deficit, represents 28.9% of annual expenditure (2021: 28.8%) or 3.47 months of expenditure (2021: 3.45).

Plans for the future

As we look towards the future, moving beyond the pandemic, it is important for the Organisation to recognise the impact and new perspectives COVID-19 has brought. We learnt from the resilient response of our service users, communities and businesses, and the innovative ways we have all come together. With the continuing challenge many people face towards recovery, we remain dedicated to ensuring that those most vulnerable receive the very best care and support.

Our success in meeting the enormous challenges of the last year, with the constant need to quickly adapt to unprecedented obstacles, has given us a renewed confidence and determination. 22/23 will bring many more challenges as restrictions are lifted, and Aberdeen Cyrenians will continue to provide excellent and much needed care, support and respite. We are looking forward to the year ahead, with in-person support widening, events restarting and much, much more. It's an exciting time for Aberdeen Cyrenians!

In 22/23 we will be launching remote hubs in both Torry and Woodside to support our Direct Access service in addition to the base in Summer Street accessing food parcels and support services to have choice and dignity when it comes to food poverty.

We have new and exciting partnerships coming to deliver even more support, and we look forward to having more volunteers back, helping in our new warehouse and across our other services.

As demand continues to rise for our care, we will of course have a number of campaigns, appeals and events coming up, providing fun and engaging ways to give your support.

The pandemic followed by the slow recover and the situation in Ukraine has taken an immense toll on mental health and wellbeing, pushing many past tipping point, increasing isolation, stress and inequality. As we continue to deliver vital services for those affected by homelessness, abuse, violence, social exclusion and other crisis, we will continue to adapt the support we offer to match the individual needs of those we support, and the long-term impact left imprinted by the pandemic.

Risk management

The Board periodically assess the risks to which the charitable company is exposed, in particular those related to the operation and finance of the charitable company and are satisfied that systems are in place to manage the exposure to major risks. At each Board Meeting, any issues or risks that have been reported by the Leadership Team are discussed and an appropriate way forward agreed.

The Board have assessed the major to which the charity is exposed and has identified that the major financial risks relate to the economic environment in which we operate and the challenge of ensuring the income supports the costs of activities. The Board have identified that the best management of this risk is the production and regular review of management information, the ongoing development of community relations and potential further sources of corporate and trust funding in line with the Fundraising Strategy.

To this end, the Board and the leadership team have closely engaged on developing an updated Risk Register for the organisation, which looks to encompass the broad range of risk, quantify them and then mitigate as appropriate. This will be managed as a 'live' document going forward, with a prescribed review frequency, to keep it visible and relevant.

Company Limited by Guarantee

Trustees' annual report (incorporating the director's report)

Structure, governance and management

Aberdeen Cyrenians is a membership organisation and membership is open to anyone who supports the objectives of the organisation. Members of the charitable company guarantee to contribute an amount not exceeding £1 to the assets of the charitable company in the event of winding up. The total number of such guarantees at 31 March 2022 was 32 (2021 - 32). The process for appointing members for the Board is outlined below.

Where there is a requirement to recruit new Directors for the Board, there are a number of ways that this can be initiated:

- a skills audit of existing members may inform the process of recruiting new members;
- existing members can put themselves forward at the Annual General Meeting;
- expressions of interest might be sought from the members of Aberdeen Cyrenians;
- public advertisement for new Directors; and/or
- members of the Board putting forward the names of suitable individuals.

Appointments to the Board are made either as per paragraph 8.2 of the Articles of Association or at a General Meeting, and must comply with paragraphs 8.1 and 8.3 of the Articles of Association.

A selection panel consisting of the Chairperson and/or Vice-Chairperson and/or other delegated Board member along with the Chief Executive will meet with prospective candidates to (a) provide further information to the candidate; (b) outline the responsibilities and requirements in relation to serving on the Board; and (c) evaluate the competencies and commitment of the prospective Director. The selection panel will then make a recommendation to the full Board.

As part of their induction, all new Directors will receive copies of the:

- Key governance documents of Aberdeen Cyrenians including Confidentiality Policy, Data Protection/GDPR Policy, Conduct Policy, Emergency and Business Continuity Plan, Lone Working Policy, Safeguarding Policy and Volunteering Policy;
- Memorandum and Articles of Association;
- Aberdeen Cyrenians Business Plan and Target Operating Mode;
- Organisation Chart;
- Aims & Values Policy;
- The latest Annual Report & Financial Statements; and,
- Minutes of the last three Board Meetings.

Upon joining the Board, the new Director will be introduced to key personnel at Aberdeen Cyrenians and strongly encouraged, where possible, to visit each of the individual projects and residential services.

The Board is responsible for setting and reviewing the overall strategy of the organisation, for organisational policies, for formal contractual agreements and is the employer of all staff. It meets 10 times a year for this purpose. Further meetings are arranged where necessary. The Board implemented Office 365 and have their own dedicated domain/network and email address. They keep in touch throughout the month with secure email and a dedicated SharePoint site.

At regular meetings, the Board monitor the management accounts, consider human resource, health and safety and fundraising matters and receive reports on the projects and from external regulators.

The Board periodically reviews the major risks to which the charity is exposed and identifies and appraises controls in place together with such additional controls are required to minimise risk.

Company Limited by Guarantee

Trustees' annual report (incorporating the director's report)

Structure, governance and management (continued)

Operational matters are delegated to the Chief Executive (or Interim Chief Executive) and the Management Team.

The Chief Executive (or Interim Chief Executive) and the Management Team are responsible for the implementation of the Business Plan, TOM and Strategic Plan, for all service delivery policies, for ensuring that all areas of work have operational plans which are regularly reviewed and for the proper day-to-day management of the organisation including complying with all internal and external regulations, particularly within the context of our aims and values.

The Board, who are the charity trustees, consider themselves and the Chief Executive (or Interim Chief Executive) to be the key management personnel of the charity in charge of directing and controlling the operations of the charity. All trustees are volunteers and no trustee received remuneration in the year.

The remuneration of all employees, including the Chief Executive (or Interim Chief Executive), is reviewed annually at the time of setting the annual budget and increased in accordance inflationary and average earnings increases. A benchmarking exercise is carried out by the charity to ensure remuneration is in line with the charity sector.

During the year, the following trustee appointments and resignations took place:

	Date of appointment	Date of resignation
Mr Lachlan Bursle	26 January 2022	-
Mrs Fiona Lindsay	23 February 2022	26 October 2022
Ms Caroline Hood	-	27 September 2022

The Board would also like to extend its thanks to Mr Michael Burns, Chief Executive, who left the organisation on 31 August 2021 to take up a new role.

Related parties

Related party transactions are disclosed in note 25 of the accounts.

Auditor

Each of the persons who is a trustee at the date of approval of this report confirms that:

- so far as they are aware, there is no relevant audit information of which the charity's auditor is unaware; and
- they have taken all steps that they ought to have taken as a trustee to make themselves aware of any relevant audit information and to establish that the charity's auditor is aware of that information.

Statement of Trustees' Responsibilities

The trustees, who are also directors for the purposes of company law, are responsible for preparing the trustees' report and the financial statements in accordance with applicable law and United Kingdom Accounting Standards (United Kingdom Generally Accepted Accounting Practice).

Company law requires the charity trustees to prepare financial statements for each financial year which give a true and fair view of the state of affairs of the charitable company and the incoming resources and application of resources, including the income and expenditure, for that period. In preparing these financial statements, the trustees are required to:

- select suitable accounting policies and then apply them consistently;
- observe the methods and principles in the applicable Charities SORP 2019 (FRS102);
- make judgments and accounting estimates that are reasonable and prudent;
- state whether applicable UK Accounting Standards have been followed, subject to any material departures disclosed and explained in the financial statements; and
- prepare the financial statements on the going concern basis unless it is inappropriate to presume that the charity will continue in business.

The trustees are responsible for keeping adequate accounting records that are sufficient to show and explain the charity's transactions and disclose with reasonable accuracy at any time the financial position of the charity and enable them to ensure that the financial statements comply with the Companies Act 2006, the Charities and Trustee Investment (Scotland) Act 2005 and the Charites Accounts (Scotland) Regulations 2006 (as amended). They are also responsible for safeguarding the assets of the charity and hence for taking reasonable steps for the prevention and detection of fraud and other irregularities.

Company Limited by Guarantee

Independent auditor's report to the Members and Trustees of Aberdeen Cyrenians Limited

Opinion

We have audited the financial statements of Aberdeen Cyrenians Limited (the 'charity') for the period ended 31 March 2022 which comprise the income and expenditure account, the balance sheet, the statement of financial activities, statement of cash flows and notes to the financial statements, including a summary of significant accounting policies. The financial reporting framework that has been applied in their preparation is applicable law and United Kingdom Accounting Standards, including FRS 102 *The Financial Reporting Standard applicable in the UK and Republic of Ireland* (United Kingdom Generally Accepted Accounting Practice).

In our opinion the financial statements:

- give a true and fair view of the state of the charitable company's affairs as at 31 March 2022 and of its income resources and application of resources, including income and expenditure for the period then ended;
- have been properly prepared in accordance with United Kingdom Generally Accepted Accounting Practice; and
- have been prepared in accordance with the requirements of the Companies Act 2006, the Charities and Trustee Investment (Scotland) Act 2005 and Regulation 8 of the Charities Accounts (Scotland) Regulations 2006 (as amended).

Basis of opinion

We conducted our audit in accordance with International Standards on Auditing (UK) (ISAs (UK)) and applicable law. Our responsibilities under those standards are further described in the Auditor's responsibilities for the audit of the financial statements section of our report. We are independent of the company in accordance with the ethical requirements that are relevant to our audit of the financial statements in the UK, including the FRC's Ethical Standard and we have fulfilled our other ethical responsibilities in accordance with these requirements. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion.

Conclusions relating to going concern

In auditing the financial statements, we have concluded that the trustees' use of the going concern basis of accounting in the preparation of the financial statements is appropriate.

Based on the work we have performed, we have not identified any material uncertainties relating to events or conditions that, individually or collectively, may cast significant doubt on the charity's ability to continue as a going concern for a period of at least twelve months from when the financial statements are authorised for issue.

Our responsibilities and the responsibilities of the trustees with respect to going concern are described in the relevant sections of this report.

Other information

The other information comprises the information included in the Trustees' Annual Report, other than the financial statements and our auditor's report thereon. The trustees are responsible for the other information. Our opinion on the financial statements does not cover the other information and, except to the extent otherwise explicitly stated in our report, we do not express any form of assurance conclusion thereon.

In connection with our audit of the financial statements, our responsibility is to read the other information and, in doing so, consider whether the other information is materially inconsistent with the financial statements or our knowledge obtained in the course of the audit or otherwise appears to be materially misstated. If we identify such material inconsistencies or apparent material misstatements, we are required to determine whether this gives rise to material misstatement in the financial statements or a material misstatement of the other information. If, based on the work we have performed, we conclude that there is a material misstatement of this other information, we are required to report that fact.

We have nothing to report in this regard.

Company Limited by Guarantee

Independent auditor's report to the Members and Trustees of Aberdeen Cyrenians Limited (continued)

Opinions on other matters prescribed by the Companies Act 2006

In our opinion, based on the work undertaken in the course of our audit:

- the information given in the Trustee's Annual Report which includes the Directors' Report for the financial period for which the financial statements are prepared is consistent with the financial statements; and
- the Trustee' Annual Report which includes the Directors' Report has been prepared in accordance with applicable legal requirements.

Matters on which we are required to report by exception

In the light of the knowledge and understanding of the charitable company and its environment obtained in the course of the audit, we have not identified material misstatements in the Trustee's Annual Report which includes the Directors' Report.

We have nothing to report in respect of the following matters where the Companies Act 2006, the Charities and Trustee Investment (Scotland) Act 2005 and the Charities Accounts (Scotland) Regulations 2006 (as amended) require us to report to you if, in our opinion:

- adequate accounting records have not been kept, or returns adequate for our audit have not been received from branches not visited by us; or
- the financial statements are not in agreement with the accounting records and returns; or
- certain disclosures of trustees' remuneration specified by law are not made; or
- we have not received all the information and explanations we require for our audit; or
- The trustees were not entitled to prepare the financial statements in accordance with the small companies regime and take advantage of the small companies' exemptions in preparing the directors' report and from the requirement to prepare a strategic report.

Responsibilities of trustees

As explained more fully in the Trustees' Responsibilities Statement, the trustees (who are also the directors of the charitable company for the purposes of company law) are responsible for the preparation of the financial statements and for being satisfied that they give a true and fair view, and for such internal control as the trustees determine is necessary to enable the preparation of financial statements that are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, the trustees are responsible for assessing the company's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless the trustees either intend to liquidate the company or to cease operations, or have no realistic alternative but to do so.

Auditor's responsibilities for the audit of the financial statements

We have been appointed as auditor under section 44(1)(c) of the Charities and Trustee Investment (Scotland) Act 2005 and under the Companies Act 2006 and report in accordance with the Acts and relevant regulations made or having effect thereunder.

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee, that an audit conducted in accordance with ISAs (UK) will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these financial statements.

Extent to which the audit was considered capable of detecting irregularities, including fraud

Irregularities, including fraud, are instances of non-compliance with laws and regulations. We design procedures in line with our responsibilities, outlined above, to detect material misstatements in respect of irregularities, including fraud. The extent to which our procedures are capable of detecting irregularities, including fraud, is detailed below:

As part of our planning process:

 We enquired of management the systems and controls the charitable company has in place, the areas of the financial statements that are mostly susceptible to the risk of irregularities and fraud, and whether there was any known, suspected or alleged fraud. Management informed us that there were no instances of known, suspected or alleged fraud;

Company Limited by Guarantee

Independent auditor's report to the Members and Trustees of Aberdeen Cyrenians Limited (continued)

Extent to which the audit was considered capable of detecting irregularities, including fraud (continued)

- We obtained an understanding of the legal and regulatory frameworks applicable to the charitable • company. We determined that the following were most relevant: Health and Safety: Data Protection Act 2018; Care Inspectorate, employment law (including the payroll and pension regulations); and compliance with the UK Companies Act, Charities and Trustee Investment (Scotland) Act 2005 and the Charities Accounts Regulations 2006.
- We considered the incentives and opportunities that exist in the charitable company, including the extent of management bias, which present a potential for irregularities and fraud to be perpetrated, and tailored our risk assessment accordingly; and
- Using our knowledge of the charitable company, together with the discussions held with • management at the planning stage, we formed a conclusion on the risk of misstatement due to irregularities including fraud and tailored our procedures according to this risk assessment.

The key procedures we undertook to detect irregularities including fraud during the course of the audit included:

- Enquiries with management about any known or suspected instances of non-compliance with laws and regulations, including GDPR and employment law, and fraud;
- Review of correspondence with regulators including OSCR, Care Inspectorate, and the Health & Safety Executive;
- Review of legal fee expenditure and board meeting minutes;
- Challenging assumptions and judgements made by management in their significant accounting estimates, in particular the application of defined benefit pension scheme deficit, the valuation of tangible fixed assets and investments, the valuation and recoverability of debtors, and the application of accruals and deferred income; and
- Auditing the risk of management override of controls, including through testing journal entries and • other adjustments for appropriateness.

Owing to the inherent limitations of an audit, there is an unavoidable risk that some material misstatements in the financial statements may not be detected, even though the audit is properly planning and performed in accordance with the ISAs (UK). For instance, the further removed non-compliance is from the events and transactions reflected in the financial statements, the less likely the auditor is to become aware of its or to recognise the non-compliance.

A further description of our responsibilities for the audit of the financial statements is located on the Financial Reporting Council's website at https://www.frc.org.uk/auditorsresponsibilities. This description forms part of our auditor's report.

Use of our report

This report is made solely to the members, as a body, in accordance with Chapter 3 of Part 16 of the Companies Act 2006, and to the charity's trustees, as a body, in accordance with Section 44 (1)(c) of the Charities and Trustee Investment (Scotland) Act 2005 and regulation 10 of the Charities Accounts (Scotland) Regulations 2006 (as amended). Our audit work has been undertaken so that we might state to the members and the charity's trustees those matters we are required to state to them in an auditor's report and for no other purpose. To the fullest extent permitted by law, we do not accept or assume responsibility to anyone other than the charity, its members as a body and its trustees as a body, for our audit work, for this report, or for the opinions we have formed.

Company Limited by Guarantee

Notes to the financial statements

1. General information

The charity is a public benefit entity and a private company limited by guarantee, registered in Scotland and a registered charity in Scotland. The address of the registered office is Unit 4, First Floor, 31 Scotstown Road, Bridge of Don, Aberdeen, AB23 8HG.

2. Statement of compliance

These financial statements have been prepared in accordance with applicable accounting standards and the Statement of Recommended Practice Accounting and Reporting by Charities, preparing their financial statements in accordance with the Financial Reporting Standard applicable in the UK and Republic of Ireland (FRS102), and comply with the Companies Act 2006, the Charities and Trustee Investment (Scotland) Act 2005 and the Charities Accounts (Scotland) Regulations 2006 (as amended).

3. Accounting policies

Basis of preparation

The financial statements are prepared in sterling which is the functional currency of the charitable company. Monetary amounts in these financial statements are rounded to the nearest £. They include the results of the charitable company's operations as indicated in the Trustees' Annual Report, all of which are continuing.

Aberdeen Cyrenians meets the definition of a public benefit entity under FRS 102. The financial statements have been prepared under the historical cost convention. The principal accounting policies adopted are set out below.

Going concern

The COVID-19 pandemic and the ensuing economic shutdown has impacted on the charity's operations; however, the charity has continued to deliver its services throughout the restrictions enforced.

The trustees have prepared forecasts and have made due and careful enquiry and are of the opinion that the charity has adequate working capital to execute its operations over the next 12 months post signing of the financial statements. The trustees, therefore, have made an informed judgement, at the time of approving the financial statements, that there is a reasonable expectation that the charity has adequate resources to continue in operational existence for the foreseeable future. As a result, the trustees have continued to adopt the going concern basis of accounting in preparing the annual financial statements.

The development of the Finance & Investment (F&I) sub-committee indicates the focus that the trustees are placing on striving to ensure the charity finances are given increased attention and care, both with regard to making best use of our existing funds and also looking to align the future delivery and growth of the organisation with realistic and achievable forecasting. The approach of utilising different scenarios in the forecasting allows consideration of the best/worst case scenarios and should enable these to be planned for, or mitigated, respectively. As the world and economy looks to recover in the wake of COVID-19 this will continue to be a key focus for the organisation, and something which they will look to continue to carefully manage.

Fund accounting

Unrestricted funds consist of the general fund and designated funds. Unrestricted funds are available for use at the discretion of the trustees in furtherance of the purposes of the charitable company.

Company Limited by Guarantee

Notes to the financial statements (continued)

3. Accounting policies (continued)

Fund accounting (continued)

Designated funds are unrestricted funds earmarked by the trustees for specific purposes. They are not in any way restricted and any surplus or deficit will be transferred to/from the general fund when the designated fund is closed.

Restricted funds are subjected to restrictions on their expenditure imposed by the donor. Expenditure which meets these criteria is charged to the fund, together with a fair allocation of management and support costs.

Income

All income is included in the statement of financial activities when entitlement has passed to the charitable company, it is probable that the economic benefits associated with the transaction will flow to the charitable company and the amount can be reliably measured. The following specific policies are applied to particular categories of income:

- income from donations or grants is recognised when there is evidence of entitlement to the gift, receipt is probable and its amount can be measured reliably.
- legacy income is recognised when receipt is probable and entitlement is established.
- income from donated goods is measured at the fair value of the goods unless this is
 impractical to measure reliably, in which case the value is derived from the cost to the donor
 or the estimated resale value. Donated facilities and services are recognised in the
 accounts when received if the value can be reliably measured. No amounts are included for
 the contribution of general volunteers.
- income from contracts for the supply of services is recognised with the delivery of the contracted service. This is classified as unrestricted funds unless there is a contractual requirement for it to be spent on a particular purpose and returned if unspent, in which case it may be regarded as restricted.

Expenditure

Expenditure is recognised on an accruals basis as a liability is incurred. Expenditure includes any VAT which cannot be fully recovered, and is classified under headings of the statement of financial activities to which it relates:

- expenditure on raising funds includes the costs of all fundraising activities, events, noncharitable trading activities, and the sale of donated goods.
- expenditure on charitable activities includes all costs incurred by a charitable company in undertaking activities that further its charitable aims for the benefit of its beneficiaries, including those support costs and costs relating to the governance of the charitable company apportioned to charitable activities.

All costs are allocated to expenditure categories reflecting the use of the resource. Direct costs attributable to a single activity are allocated directly to that activity. Shared costs are apportioned between the activities they contribute to on a reasonable, justifiable and consistent basis.

Operating leases

Lease payments are recognised as an expense over the lease term on a straight-line basis.

Company Limited by Guarantee

Notes to the financial statements (continued)

3. Accounting policies (continued)

Tangible assets

Tangible assets are initially recorded at cost, and subsequently stated at cost less any accumulated depreciation and impairment losses.

Items of equipment are capitalised where the purchase price exceeds £500.

Depreciation

Depreciation is calculated so as to write off the cost or valuation of an asset, less its residual value, over the useful economic life of that asset as follows:

Leasehold improvements	over the length of the lease
Motor vehicles	25% straight line
Furnishings and equipment	between 3-5 years

A review for indicators of impairment is carried out at each reporting date, with the recoverable amount being estimated where such indicators exist. Where the carrying value exceeds the recoverable amount, the asset is impaired accordingly. Prior impairments are also reviewed for possible reversal at each reporting date.

For the purposes of impairment testing, when it is not possible to estimate the recoverable amount of an individual asset, an estimate is made of the recoverable amount of the cash-generating unit to which the asset belongs. The cash-generating unit is the smallest identifiable group of assets that includes the asset and generates cash inflows that largely independent of the cash inflows from other assets or groups of assets.

Financial instruments

The charitable company has elected to apply the provisions of Section 11 "Basic Financial Instruments" of FRS 102 to all of its financial instruments.

Financial instruments are recognised in the charitable company's statement of financial position when the charity becomes party to the contractual provisions of the instrument.

Financial assets and liabilities are offset, with the net amounts presented in the financial statements, when there is a legally enforceable right to set off the recognised amounts and there is an intention to settle on a net basis or to realise the asset and settle the liability simultaneously.

Basic financial assets

Basic financial assets, which include debtors and cash and bank balances, are initially measured at transaction price including costs and are subsequently carried at amortised cost using the effective interest method unless the arrangement constitutes a financing transaction, where the transaction is measured at the present value of the future receipts discounted at a market rate of interest. Financial assets classified as receivable within one year are not amortised.

Classification of financial liabilities

Financial liabilities and equity instruments are classified according to the substance of the contractual arrangements entered into. An equity instrument is any contract that evidences a residual interest in the assets of the company after deducting all of its liabilities.

Basic financial liabilities

Basic financial liabilities, including creditors, are initially recognised at transaction price unless the arrangement constitutes a financing transaction where the debt instrument is measured at the present value of the future receipts discounted at a market rate of interest. Financial liabilities classified as payable within one year are not amortised.

Debt instruments are subsequently carried at amortised cost, using the effective interest rate method.

Company Limited by Guarantee

Notes to the financial statements (continued)

3. Accounting policies (continued)

Financial instruments (continued)

Trade creditors are obligations to pay for goods or services that have been acquired in the ordinary course of business from suppliers. Amounts payable are classified as current liabilities if payment is due within one year or less. If not, they are presented as non-current liabilities. Trade creditors are recognised initially at transaction price and subsequently measured at amortised cost using the effective interest method.

Pension costs

Contributions to defined contribution plans are recognised as an expense in the period in which the related service is provided. Prepaid contributions are recognised as an asset to the extent that the prepayment will lead to a reduction in future payments or a cash refund.

As part of the organisations staff pension arrangements, Aberdeen Cyrenians participates in the North East Scotland Pension Fund ("NESPF") (formerly the Aberdeen City Council Pension Fund) which is part of the Local Government Pension Scheme (Scotland) ("LGPS"), a multiemployer scheme. The LGPS is a defined benefit scheme.

The costs of providing this pension are charged to the Statement of Financial Activities on a consistent basis over the working life-time of the members. These costs are determined by a qualified actuary and any variations from the regular costs are spread over the remaining working life-time of the current members.

Defined benefit pension scheme assets are included at market value and this is compared to the present value for the scheme liabilities using a projected unit method and discounted at the current rate of return. Changes in the net defined benefit liability arising from employee service rendered during the period, net interest on net defined liability, benefit changes and settlements during the period are recognised in expenditure.

Remeasurement of the net defined benefit liability is recognised in other recognised gains and losses in the period in which it occurs.

Employee benefits

The costs of short-term employee benefits are recognised as a liability and an expense, unless those costs are required to be recognised as part of the cost of stock or fixed assets.

The cost of any unused holiday entitlement is recognised in the period in which the employee's services are received.

Termination benefits are recognised immediately as an expense when the company is demonstrably committed to terminate the employment of an employee or to provide termination benefits.

Judgements and key sources of estimation uncertainty

In the application of the charity's accounting policies, the trustees are required to make judgements, estimates and assumptions about the carrying amount of assets and liabilities that are not readily apparent from other sources. The estimates and associated assumptions are based on historical experience and other factors that are considered to be relevant. Actual results may differ from these estimates. In preparing these financial statements, the trustees have made the following judgements:

Company Limited by Guarantee

Notes to the financial statements (continued)

3. Accounting policies (continued)

Judgements and key sources of estimation uncertainty (continued)

Useful life of tangible fixed assets

Tangible fixed assets are depreciated over a period to reflect their estimated useful lives. The applicability of the assumed lives is reviewed annually, taking into account factors such as physical condition, maintenance and obsolescence. Fixed assets are also assessed as to whether there are indicators of Impairment.

Trade debtor recovery

Credit control is an important function which requires assessment, on an ongoing basis, of the recoverability of amounts due from debtors. Where recovery is in doubt, the trustees will adequately provide against this specific debt and will arrive at such conclusions based on the knowledge of the debtor and their "ability to pay". The trustees adopt a prudent approach to credit control.

Accruals

Trustees estimate the requirements for accruals using post year end information and information available from detailed budgets. This identifies costs that are expected to be incurred for services provided by other parties. Accruals are only released when there is a reasonable expectation that these costs will not be invoiced in the future.

Dilapidations provision

The charity has obligations to return leased premises to the condition they were originally in when the lease commenced. A provision has been estimated by the leadership team of the costs required to do so.

Defined benefit pension scheme

The charity has obligations to pay pension benefits to certain employees. The cost of these benefits and the present value of the obligation depend on a number of factors, including; life expectancy, salary increases, asset valuations and the discount rate on corporate bonds. Management estimates these factors in determining the net pension obligation. The assumptions reflect historical experience and current trends.

Valuation of benefits in kind

Where practicable, benefits in kind are measured at fair value on recognition, which is the expected cost of the service or goods received if the service or goods were to be paid for.

As the contract associated with gifts in kind concluded, there is no further significant amounts of gift in kind received or anticipated.

4. Limited by guarantee

Aberdeen Cyrenians Limited is a company limited by guarantee and accordingly does not have a share capital. The members' liability is limited by guarantee not exceeding £1 per member.

Investment Risks

FRS 102 requires the disclosure of information in relation to certain investment risks. These risks are set out by FRS 102 as follows:

Credit risk: this is the risk that one party to a financial instrument will cause a financial loss for the other party by failing to discharge an obligation.

Market risk: this comprises currency risk, interest rate risk and other price risk.

- Currency risk: this is the risk that the fair value or future cash flows of a financial asset will fluctuate because of changes in foreign exchange rates.
- Interest rate risk: this is the risk that the fair value or future cash flows of a financial asset will fluctuate because of changes in market interest rates.

Other price risk: this is the risk that the fair value or future cash flows of a financial asset will fluctuate because of changes in market prices (other than those arising from interest rate risk or currency risk), whether those changes are caused by factors specific to the individual financial instrument or its issuer, or factors affecting all similar financial instruments traded in the market.

Company Limited by Guarantee

Notes to the financial statements (continued)

15. Investments (continued)

The charitable company has exposure to these risks because of the investments it makes to implement its investment strategy. The trustees manage investment risks, including credit risk and market risk, within agreed risk limits which are set taking into account the charitable company's strategic investment objectives. These investment objectives and risk limits are implemented through the investment manager agreements in place with the charitable company's investment managers and monitored by the trustees by regular reviews of the investment portfolios.

Further information on the charity's approach to risk management and the charitable company's exposure to credit and market risks are set out below.

Credit risk

The charitable company invests in pooled investment vehicles and is therefore indirectly exposed to credit risks arising on pooled investment vehicles.

Currency risk

The charity is subject to currency risk because some of the charitable company's pooled investments may be held in overseas markets.

Interest rate risk

The charitable company is subject to interest rate risk through their pooled investments.

Other price risk

Other price risk arises principally in relation to equities held. The charitable company manages this exposure to other price risk by constructing a diverse portfolio of investments across various markets.

16. Debtors

	2022 £	2021 £
Trade debtors	160,268	25,566

Notes to the financial statements (continued)

19. Pensions and other post retirement benefits

Defined contribution plans

The amount recognised in income or expenditure as an expense in relation to defined contribution plans was £63,217 (2021: £56,528).

Defined benefit plans

Aberdeen Cyrenians Limited participates in the North East Scotland Pension Fund (previously Aberdeen City Council Pension Fund), which is a part of the Local Government Pension Scheme (Scotland), a multi-employer scheme. The LGPS is a defined benefit scheme.

A full actuarial valuation is carried out every three years by a professionally qualified independent actuary using the projected unit method. In the intervening years, an interim valuation is obtained for the purpose of reporting under FRS 102. The last full actuarial valuation was carried out as at 31 March 2017. Contribution rates are based on the advice of the actuary. Contributions for the year were £63,452 (*2021:* £74,003).

Aberdeen City Council has agreed to act as guarantor for any unfunded liabilities in respect of Aberdeen Cyrenians.

The statement of financial position net defined benefit liability is determined as follows:

	2022 £	2021 £
Present value of defined benefit obligations Fair value of plan assets	(13,479,000) 13,176,000	(13,622,000) 13,184,000
	(303,000)	(438,000)

Changes in the present value of the defined benefit obligations are as follows:

	2022 £	2021 £
Benefit obligation at beginning of year Current service cost Interest expense Benefits paid Contributions by plan participants (Gain)/loss on settlements and curtailments	13,622,000 128,000 283,000 (311,000) 22,000 (265,000)	12,296,000 129,000 287,000 (317,000) 26,000 1,201,000
Benefit obligations at end of year – wholly funded	13,479,000	13,622,000

Notes to the financial statements (continued)

19. Pensions and other post retirement benefits (continued)

Changes in fair value of plan assets are as follows:

	2022 £	2021 £
Fair value of plan assets at beginning of year Interest income Benefits paid Contributions by employer Contributions by plan participants Administration expenses Remeasurements: Actuarial (losses)/gains	13,184,000 274,000 (311,000) 64,000 22,000 (1,000) (56,000)	9,903,000 234,000 (317,000) 75,000 26,000 (2,000) 3,265,000
Fair value of plan assets at end of year	13,176,000	13,184,000

The total costs for the year in relation to the defined benefit plans would have been:

	2022 £	2021 £
Recognised in income or expenditure: Current service cost Net interest expense/income Administration expenses	128,000 9,000 1,000	129,000 53,000 2,000
	138,000	184,000
Recognised in other recognised gains and losses: Remeasurement of the liability	(209,000)	(2,064,000)
Actuarial (gains)/losses	(209,000)	(2,064,000)

The fair value of the major categories of plan assets are as follows:

	2022 %	2021 %
Equity instruments	59.90	59.10
Property	6.50	5.70
Cash	3.00	3.00
Government bonds	8.20	5.00
Other bonds	0.00	0.90
Other	22.40	26.30
Return on plan assets are as follows:		
	2022	2021
	£	£
Return on assets of benefit plan	(219,000)	(3,406,000)

Notes to the financial statements (continued)

19. Pensions and other post retirement benefits (continued)

The principal actuarial assumptions as at the statement of financial position date were:

	2022 %	2021 %
Discount rate	2.80	2.10
Expected rate of salary increase	4.80	4.20
Expected rate of increase in pensions	3.40	2.80
Inflation assumption	3.30	2.70
Mortality rates:		
Mortality rate current pensioners at 65 – male	21.50	21.50
Mortality rate current pensioners at 65 – female	24.20	24.20
Mortality rate future pensioners at 65 – male	23.00	23.10
Mortality rate future pensioners at 65 – female	26.30	26.30

The property reserve fund represents funds set aside to cover future purchases of property.

Purpose of restricted funds:

The restricted funds provide residential and community services in the following ways:

Wernam HouseProvision of 24-hour supported residential care for seventeen individuals
aged 18 and over. Working in partnership with Aberdeen City Council.StreetThis is a volunteer led project, under the supervision of our two Volunteer
Coordinators, and is supported by over 90 regular volunteers.

Notes to the financial statements (continued)

20. Analysis of charitable funds (continued)

Purpose of restricted funds (continued):

Street begging	Provision of support to those living on the street, and look to find alternatives to begging.
Housing First	This is a key project tackling homelessness in Scotland.
Direct Access and Associated	Provision of advice and information in relation to housing, homelessness (including the prevention of homelessness), support with benefit applications, debt management and income maximisation.
Justice Support	Provision of intensive support to individuals who are, or have been, involved with the justice system, supporting them to re-integrate into the community. The service is commissioned by Aberdeen City Council Criminal Justice Social Work.
AC2U	A new service which delivers essentials to those that needed them during the pandemic.
AHSS	Provision of a service aiming to prevent homelessness in Aberdeen. The service is commissioned by Aberdeen City Council and works in partnership with Penumbra, Barnardo's and Aberdeen Citizens Advice Bureau.
Care Choices	Working with the Granite Care Consortium which provides the Care at Home service under contract to Aberdeen Health and Social Care Partnership. The services provides home support in your own home.
Domestic Abuse Support & Accommodation Project (DASAP)	Working in partnership with Aberdeen City Council to provide support to men, women and families experiencing domestic abuse to enable them to feel safe in accommodation of their choice.
Ending Violence and Abuse Aberdeen (EVAA)	Provision of an umbrella service providing specialist teams and workers within the field in order to reach as many individuals experiencing violence and abuse as possible.
Rise	This is an extension of Care Choices and operates as a consortium partner within GCC.
Settled Home for All	A new initiative to tackle the homeless crisis and provide affordable safe housing to those in need.
Strength for Tomorrow	Project aimed at supporting those affected by historic childhood abuse.
Violence Against Women (VAW)	Provision of support to vulnerable women who have experienced or are currently experiencing abuse, whether this be in the form of physical, emotional, financial, sexual abuse and/or sexual exploitation or coercive control.
Get Digital	Provides a Get Digital programme to service users who experience digital exclusion and have no access to technology or limited experience using it. Following a successful pilot programme during the early stage of the COVID-19 pandemic, funding was secured to gift digital devices and connectivity to a small group of service users.
